Dear Mr. Reynolds:

Re: Request for Recommendation, Parleys Canyon Aggregate Company (PCAC), Parley's Canyon Quarry, S/035/012 [PL-92-2044] Salt Lake County, Utah

The Division has no comment with regard to PCAC's request to extend the zoning expiration date to May 15, 1994. According to their 1992 annual report of mining operations, PCAC has created 3 acres of disturbance which is within the terms of the Small Mining Notice of Intention filed with the Division.

Thank you for this opportunity to comment. Please keep us apprised of any future developments with respect to this mining operation.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
